Thanks, Matt. As far as I'm aware, the Miccosukee have not expressed an interest in 404 assumption at this time.

Just checking in on the status of this Miccosukee TAS briefing paper for Jeaneanne. Do we have a draft started? I am on my CDO tomorrow, so if you all need me to weigh in, it needs to be today. For those who aren't aware, I am the ORC attorney assigned to the Miccosukee's TAS application.

Thanks!
Suzanne

Pls pull together a briefing paper on the TAS for the Miccosukee. Pls include process and anything we know about the states position on the land parcels. We will need this by COB on Friday. Cesar or Tom can provide you background.

Hi Everyone:

Just giving you a heads up that Corps staff in the Planning Division just came to me regarding this action and the potential implications to the Western Everglades Restoration Project.

With that said Mary may get questions on this at the South Florida Task Force meeting, probably in side conversations.

I can't remember where I had heard that the state was pushing back on whether the Tribe had the ability to apply their standards to the additional lands—Sherrod Ranch is the issue for WERP.

Eve dan you give me a call?

Thanks!
